Bola Fees Increase

Dear Parent / Carer

As with all businesses and services the costs of running BOLA have significantly increased over the last few years; employee costs and food costs in particular.

To enable us to maintain our current level of service and care for your children we will be increasing fees from Monday 12th April 2021.

Whilst we appreciate that we are currently in difficult times it is the first time we have increased prices since we took over the club in September 2016. The new prices are in line with what other providers charge for similar facilities, quality and opening hours in the area.

The fees from Monday 12th April will be:

£4.25 for a morning session
£7.50 for an afternoon session

For the second and any subsequent child a reduced fee will be charged:

£4.00 for a morning session
£6.50 for a morning session.

Yours sincerely

Sarah Foster
Headteacher
