So much going on in school over the last week - our girls football team have come through three weeks of football competition to finish in a very respectable 4th place with only one loss over the course of seven games. Mr Roberts commented that, 'they are really ace. Their defending today was just brilliant. It was a real team effort from them all'. Thank you to Mr Roberts, Mr Stokes, and all the families for attending the competition and cheering the girls on. We have also had Y2 visit the Hindu Temple as part of their RE learning, Y5 have had The Key in to support our curriculum and their learning about Healthy Relationships and in Reception they have been sorting out all the wellie donations, counting them and telling Mr Peter how many wellie stores we need making.
