Dear Parents and Carers

We have recently registered to take part in “The Sun Books for Schools” campaign, in partnership with HarperCollins. This will mean we can receive free books if we collect 3,500 tokens. In receipt of these tokens, we will receive 105 fantastic books that are a mix of high quality fiction and non-fiction, and span across all year groups.

We are asking that if you buy The Sun and The Sun on Sunday between now and January 18<sup>th</sup> 2020, that you send the tokens our way. If we are successful in collecting the 3500 token target, the books we receive will be used to improve the quality of books in our class libraries.

Reading is a huge focus for our school improvement plan this year, and it would be fantastic to have your support to get free books for the school.

Thank you for your continued support.
