

Snuggle Buggle Charity Appeal 2022

For Snuggle Buggle Jumper Day 2022 the Friends of Whitefield are proud to announce that we are working with the Base Community Shop in Leyland, to provide gifts to be given out to Children in the local community.

On 2nd December we will have our annual SNUGGLE BUGGLE JUMPER DAY, wear your cosiest jumper in exchange for bringing in a WRAPPED gift for a child. These will be delivered to the Community Shop and distributed by volunteers there.

Base Community Shop is a food bank scheme which provides support for over 400 families in South Ribble. We have chosen this charity to support as helping our local community means a lot to the Friends of Whitefield Team, especially during this cost-of-living crisis. Although we can't alleviate the pressure many families face, a little festive joy will hopefully go a long way.

Please indicate on the OUTSIDE of the gift which age range the gift is for and also if it is more suited to a boy, girl or is gender neutral. You are welcome to include a card if you wish, with your child's name and school on, although this is not a necessity.

Gifts can be any cost, but please avoid replica weapons for example toy guns/slingshots etc.

Thank you!
