It's the first newsletter of December and things have got Christmassy in school over the last week. We have decorated school, we are practising our nativities and rehearsing for our Christmas films and in the Foster household we have watched Nativity and most of the Netflix Christmas movies already.

Lots of events coming up over the next three weeks - please check your school app as we will put out reminders of our school and community events for you to share on your whatsapp groups.

CHRISTMAS LUNCH - TUESDAY 19TH DECEMBER 2023

You should have booked your child's preferred Christmas lunch by today. If your child would like to take Charlotte's Amazing Turkey, speak to the office urgently.

Introducing our Year 6 leadership ambassadors who will be working with the school leadership team and the governors throughout this year.

Update on what to do if you think your child has COVID - we have had a couple of COVID cases reported to us in school and as a result we have updated our covid procedures. The symptoms of COVID are the same and very similar to flu - high temperature, a new, continuous cough, a loss or change in your sense of smell, shortness of breath, feeling tired and exhausted, an aching body, a headache, a sore throat, a blocked or runny nose, loss of appetite, diarrhoea and feeling or being sick.

If your child is too poorly to attend school, keep them at home until they are well enough to return. If you know or think it is COVID, please inform us at school so that we can keep a track of numbers and bring in precautions should cases rise significantly. We also have some children and staff who are vulnerable and may need to wear a mask if there are any cases within their classes. Thank you as always for your support with this.

If your child comes to school on their own or with friends, please can you reiterate road safety with them - we have had concerns raised within our community of children running out in to roads without checking for traffic.
